EPP Academy Catalogue

Value Monetization, Pricing & RGM Excellence

EPP is proud about the positive impact and transformation our learning programs have created over the past decade in the value monetization, pricing and RGM community and their business. We put the bar high for you when it comes to your career development.

Faculty excellence

Our faculty comprises seasoned practitioners and experts who bring real-world insights into the room.

Actionable Learning

We focus on delivering actionable learning experiences that equip you with practical skills and strategies to implement immediately.

Industry specific

We tailor our programs to your needs. All our programs focus on specific know-how and know-what in your business.

Continuous learning

Learning never stops. We provide ongoing support and access to our resources to ensure you stay up-to-date with the latest trends.

At EPP, we empower the global value monetization, pricing, and RGM community with the essential skills and knowledge to drive business growth and profitability.

Our programs are continually updated to reflect the latest industry trends, and are taught by world-class faculty. We offer a range of learning experiences designed to meet diverse needs, including:

- Certification Programs
- Open Programs
- Online Trainings
- In-Company Trainings

Each of these offerings is crafted to equip you and your team with the tools necessary for success in today's competitive business environment.

B2B focused programs

Navigate the complexities of B2B pricing and unlock profit potential with our comprehensive programs.

Equip yourself with the expertise to set-up your vital analytics, develop effective pricing strategies, manage dynamic pricing models and stay ahead of evolving trends with our focused training programs.

Advance your career with EPP certification

- Certified Pricing Manager B2B
- Certified Pricing Executive B2B
- Certified Pricing Manager – Pharma
- Certified Pricing Manager – Retail
- Certified Revenue Growth Manager

I found the training very useful, it gave me a lot of new insights and ideas on how to approach pricing in our organization. Also for my personal development it was a very good training.

Huub van der Esch – Nutreco

"I recently completed the EPP's Retail program, which has enhanced my expertise in retail pricing. The program offers a thorough understanding of advanced pricing strategies and SKU-level price tactics, incorporating essential factors such as price elasticities and competitive dynamics."

Michael Lindberg – Elkjøp Nordic AS

Open Programs

- Research Techniques for VBP
- Spare Parts Pricing
- Trade Promo Optimization
- Subscription Pricing
- Strategies & Tactics of Pricing

"CPM Pharma is a "must attend" course for any pricing manager in the pharmaceutical sector. The course has equipped me with many ideas that I plan to take back to my company to implement."

Sam Owens – Aspen

"I found the CPM B2B program beneficial to me in many ways. The content was incredibly valuable, offering not just theoretical concepts but tangible frameworks that can be easily applied to my industry."

Miikka Kuosmanen – ABB Oy

Online Programs

- Strategies & Tactics of Pricing
- Servitization Pricing
- Behavioral Pricing
- Economic Value Calculation
- Certified Pricing Manager B2B
