Key Benefits

- Become a **Certified Pricing Manager (CPM) B2B** with official EPP certification and **1 year** of full access to updated program materials.
- Improve profitability through **practical pricing strategies, real business cases**, and **expert-led presentations**.
- Gain a competitive edge with advanced analytics, margin improvement techniques, and access to **2 electives of your choice** from our pricing portfolio.
- Benefit from **1 year of EPP Prime Membership**, including exclusive resources like webinars, articles, templates, and tools.
- Receive personalized support from a dedicated **Learning Advisor** throughout your journey.

Certified Pricing Manager B2B Online

By completing the Certified Pricing Manager B2B Online program, you will:

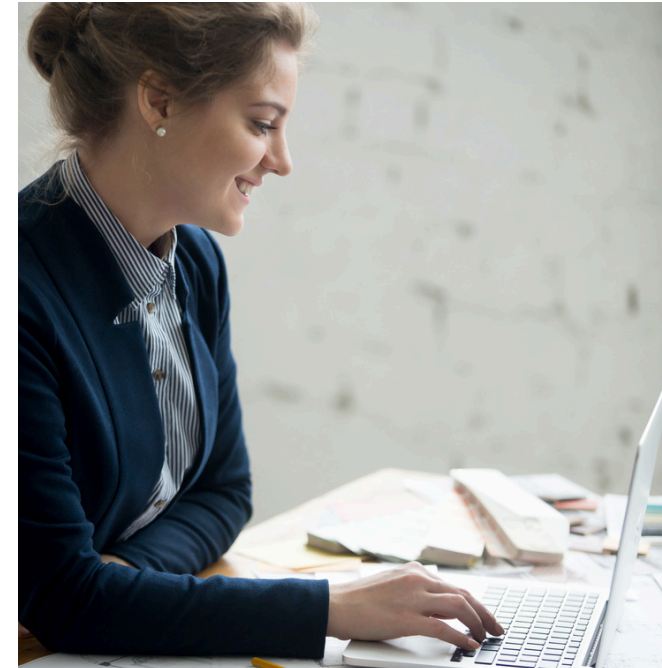

Develop a Strategic Pricing Mindset: Connect pricing strategies to overall business goals to ensure long-term growth and competitive advantage.

Master Value-Based Pricing: Learn to set prices based on customer value perception, market conditions, and willingness-to-pay.

Strengthen Pricing Execution: Implement clear discount structures, enforce compliance, and build effective pricing governance processes.

Use Pricing Analytics for Better Decisions: Identify margin leakages, measure performance with key KPIs, and take data-driven corrective actions.

Gain Professional Recognition: Demonstrate your expertise and commitment to pricing excellence through an official, industry-recognized certification.

Certification & Digital Badge

After completing all modules and passing the final online exam, you will be awarded the official EPP Certified Pricing Manager (CPM) B2B certificate, a globally recognized credential that **demonstrates your expertise in strategic pricing and value creation.**

You will also receive a shareable digital badge, allowing you to showcase your achievement on LinkedIn, your email signature, and internal company platforms. This digital proof of your certification highlights your **commitment to professional growth and pricing excellence**, helping you build credibility within your organization and across the industry.
